

Buy 12 Kichler LED lights & receive a transformer for \$25.00!

LED like you've never seen it. Path, spread, accent, water, in ground and deck. You name the outdoor application, and you'll discover a Kichler Design Pro LED light to match. Their durable driver circuits provide a consistent output over a wider range (9-15V) and helps control the "voltage drop" headache.

KICHLER 
LIGHTING
