

## VANDAL-RESISTANT EASY ACCESS BACKFLOW ENCLOSURE

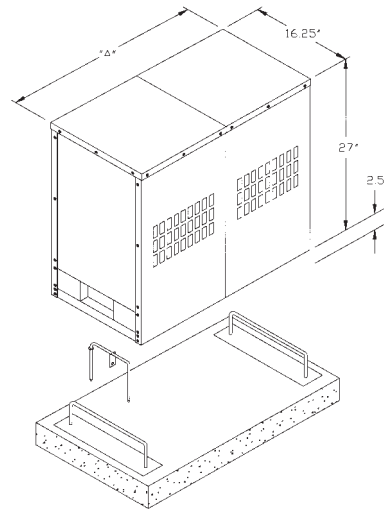

- Marine grade aluminum alloy construction provides lasting durability and strength, with light weight for ease of handling
- 100% stainless steel hardware assures long-term, rust proof durability and additional strength
- Full release locking mechanism requires no tools and provides easy access for service and repair
- Flush-mounted locking mechanism and solid sheet construction ensures maximum security
- Chameleon effect of the natural finish provides an unobtrusive quality
- Pre-punched viewing ports provide for easy inspection without removing the cover
- Expansion module allows for length adjustments to meet field requirements
- Five year limited warranty
