

CHAPIN®

COMMERCIAL DUTY Jet Clean Dual Displacement Pump

Herbicides Fertilizers Pesticides

Backpack Sprayer

Combines piston and diaphragm technology to provide increased pressure (well over 120 psi) and... virtually eliminates piston leaks!

63900

JETCLEAN SELF CLEANING!

Each downstroke sends a powerful burst to keep debris from blocking the removable filter.

- **Dual Displacement Pump integrates both Diaphragm and piston technology to produce increased PSI and eliminate piston leaking.**
- **WIDEMOUTH™ 6" opening allows for easy filling and cleaning/servicing of pump. Cap has a built in carry handle and wand clip.**
- **Large 6" basket to catch (1st stage filter) contaminants and debris when filling tank.**
- **In-tank (2nd stage) 3-D Removable Filter**
- **Self Cleaning JetClean Design keeps 3-D Removable filter from clogging from built up residue and debris.**
- **Swing-away Pump Handle can be left or right handed and swings away for more compact storage when not in use.**
- **Viton® seals in the key, necessary areas for maximum chemical resistance.**
- **Cushion Grip shut-off with built-in, serviceable filter (3rd stage) to assure that no debris can clog nozzle tip.**
- **Comfortable back pad and double padded shoulder straps meant for prolonged use.**
