2021 K-RAIN PRICE INCREASE**

Dear Valued Customer,

First, we want to thank you for being great partners through these challenging times.

In response to continued price increases that K-Rain is experiencing on raw materials we must adjust our pricing accordingly. Many markets that share our mix of input materials are seeing continued demand growth, in turn, driving a majority of these increases.

For your convenience, a comprehensive, updated, 2021 K-Rain Pricing List is found below. As always, please do not hesitate to contact your K-Rain Sales Representative with any questions or concerns.

**PRICING WILL GO IN EFFECT ON MAY 15, 2021**

Orders placed for earliest delivery, on or before May 14<sup>th</sup>, 2021 will be shipped at current pricing.
