 Re: Price Increase Announcement / Effective: May 3, 2021

Due to continued escalation in raw materials, transportation, and operating costs, Matco-Norca will be implementing the following list price increases effective May 3rd, 2021. Exact percentages may vary slightly by item, but estimated percentage increases by product category are outlined below.

Product Category	Increase %
Stainless Steel and Carbon Steel Ball Valves Excluding Flanged Ball Valves	5%
Forged Steel and Cast Steel Gate/Globe/Check Valves	5%
Flanged Series Ball Valves	8%
Lead Free and Leaded Import Brass Fittings	8%
Carbon Steel Nipples Sched 40/80 (Welded & Seamless)	8%
Stainless Steel Nipples	8%
Brass Ball Valves	8%
PVC Valves	9%
Brass Nipples	9%
Compression Couplings	9-12%%
Forged Carbon Steel Fittings	10%
Flexible Rubber Coupling and SS Shielded Transition Couplings	10%
Supply Stops & Strainers	10%-12%
Cast Brass Adapters, CPVC Transition Fittings, Press Adapter Fittings, and Insert Fittings	12%
Brass Gate Valves, Check Valves, Y-Strainers, LP Valves, Heating Valves, and Gas Valves	12%
Cast Iron Specialties	12%
Water Service Fittings	12%

Orders placed for immediate delivery, on or before May 1st, 2021 will be shipped at current pricing. All list prices will be updated shortly and can be found at <http://www.matco-norca.com/prices>. Net price and multiplier revisions will be communicated directly.

Matco-Norca remains committed to providing you with the highest quality products and customer service, along with competitive pricing.

Thank you for your continued support of Matco-Norca.
