Re: Price increase Notification

Dear Valued Customer:

Due to continue increases in material, freight, and other cost associated with the manufacturing of our products, Dura Plastics will be announcing a list price increase effective May 17th, 2021. See the below categories for further information.

These changes are in addition to our May 3rd increase.

- All PVC products to include valves will increase by 10%
- All Solvent Cements / Primers and accessories will increase by 5%.
- All Valve boxes and Drainage products will increase by 5%.

New list prices will be available on our web site www.duraplastics.com by May 14, 2021.

All orders place after today will be limited to 1/24th of your estimated annual usage and are for immediate release. Price protection and delayed shipments will not be allowed.

Dura Plastics Products, LLC. Appreciates your continued support.

Sincerely

Dura Plastic Products, LLC.
